

Waste Facilities Liability Insurance

For the past 10 years, Everest has specialized in the underwriting of Environmental Insurance and we are recognized as a leader among environmental insurance providers. Everest's Waste Facilities Liability provides protection for waste facilities against third-party liability for bodily injury, property damage and cleanup costs as result of pollution event on or coming from an insured's scheduled covered location.

That's why our expertise, capabilities and consistency in the insurance market along with an entrepreneurial approach, makes Everest a market leader. Our financial strength is evidenced by our rating, A.M. Best A+XV (Superior) and Standard & Poor A+.
